

The **TriTaq® SnackIQ®** is a durable motorized latch that operates a cam, lift-bar or threaded bolt.

AutoTraq®
compatible

The **TronIQ®** is immune to drilling and picking, eliminates lost key change-out activity and defeats cylinder swap fraud.

Installs in:

- + Snackatron
- + Coffee Machines

Retrofits in minutes on:

- + AMS
- + Seaga
- + USI
- + AVT
- + Bill Changers
- + Ap Style Machines
